

School Visitors Policy

Aims

This policy provides guidelines for **all** visitors to the school. It guides **all** in the:

The school principal has the authority to determine which visits are permitted and has the discretion to set any appropriate conditions on the nature and extent of such visits. In exercising this discretion, the principal shall consider the purpose of the visit, the impact of the visitors presence and the relationship of any visitor to the students. Office staff shall seek to assure that parents and other visitors are courteously received and that sincere efforts are made to provide them with the information that may be needed to foster a cooperative relationship between home, school and community.
